

BCB CALENDAR - HELP

The Bridge Center of Buffalo has a new Calendar page. The old Calendar had limited space available for the information because part of the page was occupied by the Navigator. Now I have the entire page width available. Also I have added pop-up ToolTips.

You can change the month easily. Move the mouse pointer into the white area around the Month and Year. Tools will pop up allowing you to change the selectioOn. Each browser handles this input differently. I will add more detailed instructions as I investigate all browsers.

You will see areas in dark purple color. Move the mouse pointer into any of these regions and some text will pop-up with more information.

Other regions are in hot pink. These are hot links to a new page with more information. Left-click the mouse to get more information.

The calendar has color coded information. Whenever a game is listed on the calendar, the color of the word "Game" will indicate restrictions.

Game – Open Game

Game – Point Restricted Game

The color of the time listing indicates the Point Pigment.

10:30 AM – Black Points

10:30 AM – Red Points

10:30 AM – Gold Points
