

Tracking Your Points

Points are an important aspect of modern Contract Bridge. The American Contract Bridge League (ACBL) administers the granting of points. They have developed a system with points of many colors (Black, Gold, Red, Silver, Platinum and colorless.) Here at the Bridge Center of Buffalo most of the awarded points are Black. Our local Unit (Unit 116) administers the activities of our local Buffalo area Clubs plus runs local Sectional tournaments awarding Silver points. The Units operating in Buffalo, Cleveland, Erie, Pittsburg and other nearby communities form District 5 which operates Regional tournaments awarding Red and Gold points. Finally the National organization runs three tournaments each year awarding Platinum, Red and Gold points.

You can track your points online using the ACBL Website as soon as you are a member with a member number. Access their Website at www.acbl.org. Once on the site, click on the link to “Your Member Page” under the heading “MyACBL” in the upper left. You will be directed to the “MyACBL Login” page.

You will have to register on your first visit. Go down to the last paragraph on the page where there is a link to the Registration page. Simply left-click where it says “Click here.”
